

Welcome to the Star Awards

Event Description

In 1992, the Texas Association of Builders launched the Texas Star Awards — the only statewide tribute to excellence in the home building industry. In 2005, this remarkable awards program expanded to include projects throughout the Southwest. The Star Awards will continue to showcase the outstanding work of builders, remodelers, architects, designers, sales professionals, marketing professionals, construction professionals and industry leaders in Texas and the Southwest! 2018 marked 25 years of recognizing TAB members in Texas.

The Star Awards is held in conjunction with the Sunbelt Builders Show™ and is heavily marketed to the Sunbelt region: Texas, Louisiana, New Mexico, Oklahoma and Arkansas. With more than 100 categories to choose from and hundreds of entries each year, it is an impressive feat to be identified as a finalist, let alone a winner.
