

Excellence in Remodeling Awards

EIRAwards.com

Eligibility

- You must be a current BIAW member
- Projects must be completed after Jan. 1 of the previous year
- Photos and description should not be marked with any form of company identification
- You may submit your home as an entry
- A company may submit only one project per category
- A project may only be entered in one category, i.e., an 'entire house' project may not be submitted as a project in the kitchen category, bath category, etc.

Entry Fees & Deadlines

Entries are \$75 each. Final deadline is Monday, August 31 at 11:59 PM.

Judging

Projects are judged by a panel of industry experts from various fields of expertise.

Entries will be judged in accordance with the following criteria:

- Aesthetics
- Special or unique design solutions
- Quality workmanship
- Use of appropriate building materials
- Budgetary consideration
- Challenges and/or obstacles

The EIR Awards judging committee reserves the right to combine or eliminate any category or categories due to insufficient entries. Additionally, the committee reserves the right to create new categories should the EIR judges determine a situation warrants such action. Judges may also re-categorize any entry, if in their opinion, it has been entered in the wrong category, or if the entry is better suited to another category. Special awards may be presented at the judges' discretion.

Photo Release

If using a professional photographer, copyright and photo release permission must be arranged before submitting your project photos. By entering this project, all photos submitted may be used by BIAW in public viewing, website, press releases, social media, magazines, or other PR marketing promotions.

Tips for Writing your Description

Main objective of the remodel

What did the customer want from the remodel? More living space? Modernization? Recreate original design (historical)?

Creative and efficient use of space

Describe how space played a role in the remodel. Narrow property? Water views? Severe slope? Existing structures?

Special or unique circumstances and solutions

What, if any, obstacles did you face? Universal design issues? Height restrictions? Built Green standards?

Use of appropriate building materials

Describe the type and quality of materials (in layman terms).

Quality of workmanship

Pump yourself up and let the judges know the quality of your work.
